1 Description

Each organization inside of the CRMCS resourceMGR web system requires 5 pieces of data.

1. Organization Name
2. Organization ID
3. Organization Type
4. Country
5. State

Use this document to sort out what you need to provide for “Organization Name” and “Organization ID”. After using this document, if you still have questions, please contact Ryan Parks with North Central District Health Department.

2 Organization Name

The organization will be displayed at the top of each identification card. Because of physical real estate on the card, it should not exceed 27 characters in length. You may use the following abbreviations when building your organization names.

Table 1: Abbreviations

Administrator	Admin
Communication(s)	Comm
Department	Dept
District	Dist
Division	Div
Emergency Management Agency	EMA
Emergency Medical Service	EMS
Fire Department	FD
Health Department	HD
Human Resources	HR
Information Technology	IT
Management	Mgmt
Planning and Zoning	Plan & Zon
Police Department	PD
Public Health Department	PHD
Public Works	PW
Register	Reg
Sheriff's Office	SO
Treasurer	Treas
Volunteer Fire Department	VFD

For city organizations, you will not need “City of” unless the organization is the city itself (examples *City of O’Neill* and *O’Neill Police Dept*). For counties, use “[County Name] Co [Organization Name]” (examples *Holt Co*

EMA and Holt Co Fire Dept). For regions and districts you can spell it entirely if it will fit. Otherwise, consider abbreviating (example *Southwest PET Region*).

Note – *There may be exceptions that have not been accounted for.*

Table 2: Organization Name Examples

Organization	Organization Name
Holt County Emergency Management Agency	Holt Co EMA
Holt County Fire Department	Holt Co Fire Dept
O’Neill (the city itself)	City of O’Neill
O’Neill Police Department	O’Neill PD

3 Organization ID

Organization ID's are like VIN's for vehicles or Social Security Numbers for individuals. It is an alphanumeric string up to 15 characters long that uniquely identifies the organization. In most cases, this identifier will be exactly 15 characters long. Use the following examples to determine your organization's "Organization ID".
